\*Aggravated Assault category is nationally classified to include numerous penal law sections ranging from threat of violence with a weapon (Menacing 2nd with a Weapon) to serious physical injury with grave risk of death (Assault 1).

Data is based on NYS DCJS Uniform Crime Reporting guidelines. Effective 1/1/13, the UCR crime category of Rape was expanded to include selected crimes previously classified as Sex Offenses (other than Forcible Rape) and will be reported to DCJS as a category named Rape (2013 Expanded). SCPD totals include data from district wide commands that is not included in individual precinct totals.

Although perfect certainty in statistical reporting is a goal, it should be understood that the data is merely a snapshot of case status and disposition on the day the data is compiled. Databases are continually updated and cases constantly undergo reclassification. **Data reflects updates since state reports submitted.**
